

May 4 Dual Collection: HHW & TIRES (this day only)

Porter County Expo Center
215 E. Division Rd., Valparaiso

In addition to household hazardous waste, residents can bring tires **THIS DAY ONLY**. **PLEASE NOTE:** Fees may apply to tires dropped off: Up to 20 inches: first four free, \$3/tire beyond four; 21 to 25 inches: none free, \$5/tire; over 25 inches: none free, \$15/tire. **Absolutely no electronics or appliances will be collected.**

Porter County Household Hazardous Waste Collections & Gas Can Exchanges

All Events
9 a.m.-2 p.m.

We sponsor a number of mobile household hazardous waste collection events each year to help Porter County residents responsibly dispose of these unwanted products. There is no permanent location in the county that accepts these products on a regular basis. Residents in Lake & LaPorte Counties have their own collections, sponsored by their solid waste districts.

The Environmental Protection Agency estimates that the average household disposes of one pound of hazardous waste each year. "Household hazardous waste" or "HHW" are unwanted products that contain corrosive, toxic, ignitable or reactive ingredients that require special care upon disposal.

Household Hazardous Waste Collections & Gas Can Exchanges ONLY

June 15 Portage High School
6450 E. Route 6

July 6 Westchester Intermediate School
1050 S. 5th St., Chesterton

July 27 Hebron Middle/High School
campus, 509 S. Main St.

Aug. 3 Portage High School
6450 E. Route 6

Oct. 12 Porter County Expo Center
215 E. Division Rd.,
Valparaiso

Gas Can Exchanges

Each collection will offer a gas can exchange: old gas cans will be exchanged for new environmentally friendly 2.5-gallon gas cans. Supplies of these cans are limited, and they will be distributed on a first-come, first-served basis.

*Limit one new gas can per
vehicle/family.*

Gas cans are compliments
of Northwest Indiana Clean Air.
