REQUIREMENTS TO OBTAIN A COMMERCIAL PARKING LOT PERMIT

1. Address where parking lot is to be installed.
2. List of contractors doing the work.
3. Drawing showing layout of all parking spaces, including disabled parking. Show size and dimensions of parking spaces, elevations, grading and all drainage structures (existing or proposed).
4. Estimated cost of project.

All work is to be done in accordance with Chesterton Town Codes and state federal requirements. This includes color marking, size and signage for disabled spaces.

Permit cost for new and lot repair - \$50.00

Permit cost for seal coating - \$25.00
